

## FORUM

## «Resource Efficient and Cleaner Production (RECP): Reduction and Control of Air Emissions»

Date and time: **April 22, 2016, beginning 10.00**Place: **Kyiv, Orchus Information and Educational Center, 35, Vasylia  
Lipkivs'kogo street (Ministry of Ecology and Natural Resources of Ukraine),  
1 floor, room 103-104.**

### Introduction

Programme "Greening Economies in the European Union's Eastern Neighbourhood" (EaP GREEN) aims to support participating countries in their transition to a "green" economy and boost the "green" business. Participants of the programme are six countries of EU Eastern Neighborhood: Armenia, Azerbaijan, Belarus, Georgia, Moldova and Ukraine. The programme is funded by the European Commission (EC) and other donor-countries and is implemented jointly by the United Nations Economic Commission for Europe (UNECE), Organization for Economic Cooperation and Development (OECD), United Nations Environment Programme (UNEP), United Nations Industrial Development Organization (UNIDO).

One of the components of EaP GREEN programme is UNIDO demonstration project for realization of Resource Efficient and Cleaner Production (RECP) by creation of human and institutional capacities for RECP, demonstration, dissemination and replication of RECP in priority sectors (chemicals, food and construction materials) and transfer of RECP technologies.

One of the project's activity is holding of holding thematic forums that will cover topical issues of sustainable consumption and production:

- efficient energy consumption;
- reduction and safe waste disposal;
- supply sources and efficient water consumption;
- reduction and treatment of waste water;
- reduction and control of air emissions;
- selection and efficient use of materials.

**Forum "Resource Efficient and Cleaner Production (RECP): Reduction and Control of Air Emissions"** is the fifth of series of six thematic forums.

The aim of the Forum is to promote RECP among the wide range of stakeholders, in particular representatives of businesses, NGOs, science and education, state agencies etc, to discuss topic, share experience, ideas and constructive opinions on ways and methods of reducing harmful emissions and their control at small and medium enterprises of Ukraine.

A short survey will take place to assess the social opinion about the problems of industrial air emissions in Ukraine. The results will be analyzed and used to formulate the future tasks of RECP.

The Forum will be held under the support of Resource Efficient and Cleaner Production Centre in Ukraine, Orchus Information and Educational Center and State Ecological Academy of Post-Graduate Education and Management of Ministry of Ecology and Natural Resources of Ukraine.

## FORUM

«Resource Efficient and Cleaner Production (RECP):  
Reduction and Control of Air Emissions»

Date and time: April 22, 2016, beginning 10.00

Place: Kyiv, Orchus Information and Educational Center, 35, Vasylia  
Lipkivs'kogo street (Ministry of Ecology and Natural Resources of Ukraine),  
1 floor, room 103-104.

## AGENDA

Time	Topic	Speaker/title of presentation
9 <sup>30</sup> -10 <sup>00</sup>	Registration of the participants	
<b>Presentations</b>		
10 <sup>00</sup> -10 <sup>10</sup>	Opening of the Forum	<b>Mariia Tsybka,</b> National Coordinator of EaP Green Demonstration Project in Ukraine <b>Ganna Serova,</b> The Orchus Information and Educational Center of State Ecological Academy of Post-Graduate Education and Management
10 <sup>10</sup> -10 <sup>20</sup>	Greeting words	<b>Igor Shylovich,</b> Director of RECP Center in Ukraine <b>Representatives of</b> Ministry of Ecology and Natural Resources of Ukraine TBC
10 <sup>20</sup> -10 <sup>30</sup>	Reduction and control of air emission – the principle of RECP	<b>Kateryna Romanova,</b> National Communication and Advocacy Expert
10 <sup>30</sup> -10 <sup>40</sup>	Modern trends of the State environmental policy in the area of pollution by industrial emissions	TBC
10 <sup>40</sup> -10 <sup>50</sup>	The main problems of industry, related to emissions of pollutants into the environment	TBC
10 <sup>50</sup> -11 <sup>10</sup>	Experience of the enterprises to emissions reduction and implementation of gas cleaning technologies	TBC
<b>Dialogue</b>		<b>Moderator</b> <b>Kateryna Romanova</b>
11 <sup>10</sup> -11 <sup>15</sup>	Group photo	All
11 <sup>15</sup> -11 <sup>30</sup>	Coffee-Break	All
11 <sup>30</sup> -13 <sup>10</sup>	Discussion of the presentations, discussions between the participants, sharing the experience and proposals on topical issues of the forum, questionnaire.	Forum participants, speakers
<b>Closing of the Forum</b>		
13 <sup>10</sup> -13 <sup>30</sup>	Final speech and summarizing the results of the forum	<b>Kateryna Romanova,</b> National Communication and Advocacy Expert
